### High Graphic Background

ASADAL INTERNET, INC. started its business in Seoul Korea in February 1998 with the fundamental goal of providing better internet services to the world. ASADAL stands for the "morning land" in ancient Korean. Asadal has about 35 staffs including well experienced web designers, programmers, and server engineers. The CEO and President, Mr. Suh, studied game theory and statistics in the Ph.D. program at the University of Rochester in New York. Asadal was originated from Korea but the eyes are open to the world.

Asadal has been running one of the biggest domain and web hosting sites in Korea since May 1998. More than 3,000,000 people have visited our website, [www.asadal.com](http://www.asadal.com), for domain registration, web hosting, web programming, and homepage building services. We are very proud that our site has been cited several times by many newspapers, magazines, and books all over the world.
