

The IT Career Builder's Toolkit

For only \$12.50 more, value-pack the Toolkit with any Cisco Press book

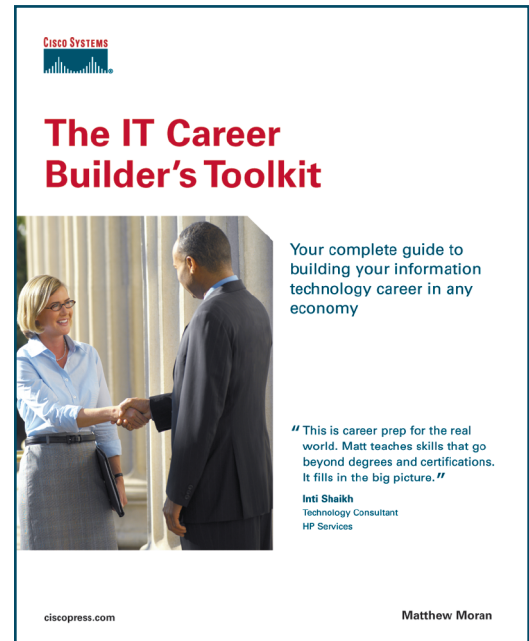

The IT Career Builder's Toolkit is the perfect supplement for any IT student. The toolkit approach:

- Emphasizes the soft-skills necessary for long-term career growth and stability
- Delivers methods to improve verbal and written communication skills
- Teaches the value of IT skills in the job market
- Presents real techniques on how to highlight on-the-job skills and gain meaningful professional exposure
- Removes the guesswork from job searches

A companion CD-ROM contains valuable career development tools, spreadsheets, and forms.

You help your students learn the skills, now help them develop winning careers

Bundle **The IT Career Builder's Toolkit** (a \$29.95 value) with any Cisco Press book for only an additional \$12.50. Contact your Prentice Hall representative for details on how to create your customized value-pack.
